

Social Value Policy

At EES group we reduce carbon, support communities, and enable growth to deliver community benefits and additional social value. We assist our customers to maximise social, economic, and environmental wellbeing of local communities in accordance with The Public Services (Social Value) Act 2012, The Procurement Reform (Scotland) Act 2014 and The Wellbeing of Future Generations (Wales) Act 2015.

This policy is supported by our sustainability strategy and delivered through our community investment programme. Through collaboration with our supply chain, EES Group is committed to:

Employment and Skills:

Enabling local people to obtain the skills needed to access employment. Providing our employees with new skills for the future. Creating employment opportunities within the communities that we work. Removing barriers to employment in electrical industry for underrepresented and disadvantaged groups. Offering employment opportunities to those who serve or have served in our armed forces. Providing work opportunities for small, medium, micro-sized businesses, social enterprises and minority owned businesses. Procuring goods and services locally where possible. Supporting small, medium, micro-sized businesses, social enterprises and minority owned businesses to improve capability and grow sustainably

Community Engagement:

Carrying out volunteering activities that deliver benefits to local communities. Partnering with local charities (Youthline) and environmental regeneration to meet local needs. Working with local charities on key themes to deliver additional benefits to the communities in which we work. Working with education and training providers, industry bodies and charities to offer curriculum support and work experience opportunities. Supporting our people to live healthier lives

Environment:

Using resources efficiently to reduce waste and maximise value. Playing our part to reduce air pollution, noise, vibration and nuisance within local communities. Promoting sustainable and ethical procurement. Promoting green and blue space and increasing biodiversity. Maintaining clear accountability for delivering this policy. Monitoring and reporting our social value impact by using recognised independent tools. Continuously improving our standards, efficiency and effectiveness. We will communicate this policy to our employees, supply chain partners and relevant interested parties and review it on an annual basis.
